Digital Ticket Checkout

Give your customers a quick way to pay on their phone with Digital Ticket Checkout. FLASH's solution lets customers pay on their phone rather than at a pay-on-foot kiosk or at an exit kiosk to minimize lines and pay on-the-go.

How It Works

Parkers pull a ticket and enter the garage as normal. When they are ready to leave, parkers can checkout by following these simple steps:

1. Scan
Scan the QR code or App Clip

2. Pay
Multiple payment options including: Apple/Google Pay, CC, or even validations, no need for an app

3. Exit
Scan the receipt or entry ticket to exit the garage

Benefits for Operators

- **Fast –** Reduce traffic with faster egress
- **Cost Savings –** Digital payment options reduce need for pay-on-foot kiosks
- **Flexible –** Supports multiple fees and taxes

Benefits for Parkers

- **Fast –** Skip the kiosks and pay on-the-go
- **Easy –** Pay from anywhere
- **Simple –** Pay with Apple Pay or Google Pay to skip app sign in
