## Kiosk Flow for Applying a Validation

**Using a Printed Validation** – You will drive toward the Exit of the facility and stop at the kiosk (your vehicle should be within arms-length of the equipment):

1. Determine which method you used to enter the garage:
  - a. **Scan** your paper ticket **OR**
  - b. **Swipe** credit card used on entry (your credit card will not be charged at this time) **OR**
  - c. Select **Other Options** to input your mobile phone number
2. Scan validation barcode, then proceed to complete payment, **if applicable**.
3. Exit the facility.

**Using an E-Validation** – Prior to leaving your vehicle take your ticket OR Credit Card with you, at the facility you are visiting see a representative to get validated:

1. You will drive toward the Exit of the facility and stop at the kiosk (**your vehicle should be within arms-length of the equipment**):
2. Determine which method you used to enter the garage:
  - a. **Scan** your paper ticket **OR**
  - b. **Swipe** credit card used on entry (your credit card will not be charged at this time) **OR**
  - c. Select **Other Options** to input your mobile phone number
3. Proceed to complete payment, **if applicable**.
4. Exit the facility.
